	Action	Result	Shop
Making a List	when getting dressed or preparing for a special occasion; know what you own and know what you need to complete a look & write it down	you will have a list of the missing pieces; accessories, shoes, undergarments, and apparel	shop what's on your list; you will stay on task and in budget
Know the Sales	keep handy the Fashion Fix Sale Calendar	you will know when to spend and when to save	shop following the markdown cadence
Know the Stores	when in stores make note of who has your size, fit, cut, style, price point, etc	you will know what brands and stores are worth your time and money!	shop not only these stores and brands at regular retail locations but look for them at thrift too!
